### FAQs

#### 1. Can I be a chaperone for more than one team?

No. Chaperones can only chaperone for one team at an event.

**2. Can a teammate or coach also be a chaperone?**

Yes. For adult or college teams with minor players, the chaperone can be a teammate. A registered coach of a youth team will have already fulfilled the requirements to be a chaperone, so if they also meet the age requirement, they can be listed on the roster as a chaperone as well.

**3. Are requirements different for the Youth Club Championships?**

Yes. The Youth Club Championships, as well as other USA Ultimate championship-level events may require two chaperones who must be at least 25 years of age.
