

Head Coach, Women's Division U-24 National Team

General Role

- The assigned person will become the head coach of USA Ultimate's Women's Division U24 National Team. Their role will be to build a successful team, both in terms of results, spirit, and as representatives of the United States ultimate community. They will also be building a team that is a key component in the development of high performance players.

Appointment

- The head coach will serve during the 2024 and 2025 calendar years, leading up to and following the 2025 World Under-24 Ultimate Championships.

Requirements

- Demonstrated commitment to strong character and sportspersonship.
- Ultimate coaching experience; showing competitive success, exemplifying Spirit of the Game and building a positive team culture
- Ability and willingness to work with USA Ultimate administration and support USA Ultimate's mission and goals
- Demonstrated ability to work with college-aged players
- Experience with international competition
- All coaches must complete (or have completed) the requirements for the Foundational Coach training within 30 days of accepting the coaching position and maintain the requirements through the duration of their appointment. The Foundational Coach training includes (costs paid by USA Ultimate):
 - Current membership
 - SafeSport
 - Background check through the USA Ultimate's provider
 - Concussion training
 - Pass the Foundational Coach test
- Additionally, the head coach must:
 - Attend two tryout camps in fall 2024 after Club Championships (likely weekends November 2, 9, 16)
 - Attend team training activities (likely one weekend in spring 2025 and one week prior to WU24)
 - Attend WFDF's 2025 U24 World Championships (date and location TBD, expected summer 2025)

Core Responsibilities

- Coaching, team preparation and performance
- Assisting with the assistant coach selection process
- Work cooperatively with the team's assistant coaching staff, USA Ultimate staff and the medical support staff
- Monitor the performance of assistant coaches
- Liaise with the Team Manager and Medical staff.
- The Head coach has sufficient authority to take measures that are consistent with USA Ultimate policy and guidance and necessary in relation to coaching-related matters of team selection, preparation and development of a team environment. Beyond this, the head coach must abide by decisions made by the Team Manager and/or USA Ultimate staff.

Benefits

- \$1,000 honorarium divided over a two year period.
- Complimentary USA Ultimate membership for 2 years.
- National team kit
- Coverage of approved national team program expenses
